7.3 Institutional Distinctiveness

7.3.1 Portray the performance of the Institution in one area distinctive to its priority and thrust

- To create a world class educational environment, that allows students to develop their professional abilities and foster a strong sense of responsibility and ethics.
- The priority in Vision of the Institute is to create a world class educational environment for students.
- To achieve this vision, Institute is equipped with state of the art technology like well-maintained computer labs, finest cooking and baking equipment's, modern well designed restaurants, and Auditorium hall and class rooms.
- We also conduct bridge courses related to University Also we have additional courses for Bartending, Food Production, Bakery and House Keeping.
- These courses help students to enhance their knowledge and innovative thinking abilities and also assist the students to develop their practical skills related to their area of interests.
- All these activities help the students to develop their professional abilities.
- Events are given notable importance as they help the students to nurture their sense of responsibility and built up team working ability that strives towards one goal of success.
- Faculties guide the students in every stage of the event including planning, execution of the plan and feedback.
- Students are and placed for training in reputable five star hotels in all over, India and around the globe.
- Diversified training is given to students as they are trained in all the operational departments of the hotel. Some of the students are placed even in the best fine dine restaurants, clubs and Hotels which help them get trained and be one with the current industry trends.

Shri. W. D. Sancheti

Chairman

Shri. B. V. Jawalekar

Hon. Secretary

Dr. Ajaykumar M. Rai

Principal

- This has built a strong interface with industry and students are being groomed for being a global professional in concurrence with our vision.
- The institute has received recognition through our students who are placed in the global community in various countries such as USA, Mauritius, Maldives, and France, where they have created a niche for themselves and created goodwill for the Institute.
- To keep up with the growing demand for Hospitality Professionals and the reputation and goodwill of our institute
- Mentor- mentee system is followed for the students and Teaching faculty, it is monitored through buddy evaluation system and organizes a Teacher's Training programs. Industry experts are invited for as a guest lecture to make students aware of industry happenings and also students learn from them many new industry trends, this helps the fresh students to choose their area of interest and commit themselves to their bright career path.
- Students are provided with all the facilities in campus as well as off campus to develop themselves as a professional career oriented person. The response of students is also great and notable to the efforts of faculties and non-teaching member's team.
- Bottom line is "Students are nurtured, made ready attitude wise, physically, mentally, skills wise, knowledge wise and overall personality to take up challenging jobs in hospitality industry anywhere around the globe".
